

# NMS 2010 Program

For program updates, please visit [www.nms2010.org.au](http://www.nms2010.org.au)

## Wednesday 26 May 2010

15:00 - 19:30	<b>Registration</b> Level 1, Melbourne Convention and Exhibition Centre	
16:00	<b>Symposium opening</b> Plenary Hall 1  Chair: Dr Danielle Stowasser, Charm Health	<b>Welcome to country</b>  <b>Symposium opening</b> Dr Lynn Weekes, CEO National Prescribing Service (NPS)  <b>Opening address</b> Prof Jim Bishop, Chief Medical Officer, Department of Health and Ageing  <b>NPS and the national agenda</b> Dr Janette Randall, Chair NPS Board
16:50	<b>Plenary 1:</b> <b>Medicines in people's lives</b> Plenary Hall 1  Chair: Kate Moore, NPS	<b>A personal perspective</b> Bronwyn Collins, beyondblue Ambassador  <b>Ensuring equity: Medicines equity as a QUM barrier in Aboriginal Australia - 102</b> Dr Alex Hope, Ltyentye Apurte Community Government Council Health Service  <b>Creating opportunity - 103</b> Anne McKenzie, Consumer Research Liaison Officer, The UWA School of Population Health & Telethon Institute for Child Health Research  <b>Safe and effective use of medicines - 104</b> Dr Marie Pirotta, Dept of General Practice, University of Melbourne  <b>Bruce: A case study of the realities of rural Australians in the safe use of medicines - 105</b> Dr Janie Smith, Director of Rural Health Education Development Consulting (RhED) Pty Ltd
18:00 - 19:30	<b>Welcome reception</b> Melbourne Convention and Exhibition Centre Level 1, Foyer	

## Thursday 27 May 2010

08:00 - 17:30	<b>Registration</b> Level 1, Melbourne Convention and Exhibition Centre	
09:00	<b>Plenary 2:</b> <b>Ensuring equity</b> Plenary Hall 1  Chair: Dr Mary Murray, ReAct - Action on Antibiotic Resistance	<b>A different perspective - 106</b> Dr Eva M A Ombaka, Tanzania  <b>Equity for all</b> Prof Helen Milroy, Director, Centre for Aboriginal Medical and Dental Health, University of Western Australia Voula Messimeri AM, Executive Director, Australian Greek Welfare Society (AGWS)
10:30	<b>Morning tea and poster session 1</b> Level 1, Foyer	<b>Poster session: Ensuring equity</b>   <b>Program launch: Improving cardiovascular adherence, National Heart Foundation</b>

11:00	<b>Concurrent session 1</b>		
	<b>1.1. Addressing quality use of medicines in the national health reform agendas</b>  <b>Plenary Hall 1</b>  Chair: Michael Fitzsimons, Medicines Australia  <b>Priorities for the National Medicines Policy - 109</b> Prof Andrew McLachlan, Chair, Australia's National Medicines Policy Committee Prof Justin Beilby, Executive Dean, Faculty of Health Sciences, The University of Adelaide  <b>The role of primary health care and the network - 111</b> Dr Emil Djakic, Chair, Australian General Practice Network	<b>1.2 New players and new prescribers</b>  <b>Meeting Room 105</b>  Chair: Prof Kathie Knights, Flinders University  <b>Non-medical prescribers – who's auditioning for the show? - 112</b> A/Prof Lisa Nissen, Senior Lecturer, School of Pharmacy, University of Queensland  <b>Getting the 'script' right for non-medical prescribers - 113</b> Prof Peter Brooks, Director of the Australian Health Workforce Institute, University of Melbourne and University of Queensland  <b>Patient-centred models of care and the evolution of nurses as new prescribers - 114</b> Lesley Salem, Nephrology Nurse Practitioner, Hunter New England Health  <b>Involving patients in medication choices – the role of decision aids in clinical practice - 115</b> Dr Victor Montori, Professor of Medicine, Mayo Clinic, USA	<b>1.3 Generating the evidence</b>  <b>Meeting Room 106</b>  Chair: Dr Nancy Huang, National Health and Medical Research Council  <b>Achieving QUM: We know what works, why isn't it used? - 116</b> Prof Andrew Gilbert, Director Quality Use of Medicines and Pharmacy Research Centre, University of South Australia  <b>Consumers discussing medicines in online communities: a case study - 117</b> Kate Gilbert, Founder & President, The Type 1 Diabetes Network Inc.  <b>Implementing point of care testing to improve cardiovascular outcomes in rural South Australia</b> Rosy Tirimacco, Operations and Research Manager, Integrated Cardiovascular Clinical Network South Australia  <b>Living with chronic kidney disease: a juggling act - 119</b> Barbara Harvie, Nurse Practitioner, Chronic Kidney Disease, The Canberra Hospital

12:30	<b>Lunch and poster session 2</b> Level 1, Foyer	<b>Poster session: Creating opportunity</b>
13:00		<b>Meeting Room 102</b> <b>Evidence for decision makers. A panel discussion regarding the scope and purpose of the Rx for Change database</b>

13:30	<p><b>Plenary 3: Safe and effective use Plenary Hall 1</b></p> <p>Chair: Debbie Rigby, NPS</p> <p>Chair: Prof Andrew McLachlan, University of Sydney</p>	<p><b>Treatment burden in complex chronic illness</b> Dr Victor Montori, Professor of Medicine, Mayo Clinic, USA - <b>120</b></p> <p><b>Pharmacogenetics in individualising medication therapy</b> Prof Munir Pirmohamed, Department of Pharmacology, University of Liverpool, United Kingdom - <b>121</b></p> <p><b>Panel: Australian perspective</b> Prof Jon Emery, Head of School of Primary, Aboriginal and Rural Health Care, University of Western Australia - <b>122</b> Dr Joanne Travaglia, Phd Research Fellow, Centre for Clinical Governance Research, Faculty of Medicine, University of NSW - <b>123</b> Joan Hughes, CEO, Carers Australia - <b>124</b></p>	
15:30	<p><b>Afternoon tea and poster session 3 Level 1, Foyer</b></p>	<p><b>Poster session: Safe and effective use</b></p>	
16:00 – 17:30	<p><b>Concurrent session 2</b></p>	<p><b>Proffered papers</b></p>	
	<p><b>2.1: Medicines in people's lives</b> <b>Meeting Room 105</b> Chair: Dr Shane Carney, NPS</p>	<p><b>2.2: Medicines in people's lives</b> <b>Meeting Room 106</b> Chair: Dr Ross Maxwell, National Medicines Policy Committee</p>	<p><b>2.3: Ensuring equity</b> <b>Meeting Room 101</b> Chair: Helen Leonard, The Pharmaceutical Alliance</p>
16:00	<p><b>An exploratory study evaluating self-medication practices among adult population in Kuala Lumpur, Malaysia - 125</b> Dr Mohamed Azmi Ahmad Hassali, Discipline of Social and Administrative Pharmacy, School of Pharmaceutical Sciences, Universiti Sains Malaysia</p>	<p><b>Performance enhanced CMI: do they go the distance? - 131</b> Kim Hamrosi, University of Sydney</p>	<p><b>Old players, new findings from a sequential explanatory mixed methods study on the prescribing practices of dispensing doctors: Australian Dispensing Doctor (ADD) Study - 137</b> David Lim, Wheatbelt GP Network</p>
16:15	<p><b>Medicines information seeking behaviour: data from the National Census of Medicines Use - 126</b> Tessa Morgan, NPS</p>	<p><b>Medicine information – what older people want and what they get - 132</b> Tammy LeBlanc, Sansom Institute, University of South Australia</p>	<p><b>Development of KAMSC medication assistant training program - 138</b> Corina Pesich, Kimberley Aboriginal Medical Services Council, Broome</p>
16:30	<p><b>Complexity in communication processes between health professionals, consumers and family members about managing medicines in hospital - 127</b> Professor Elizabeth Manias, The University of Melbourne</p>	<p><b>Understanding medication persistence in patients with COPD - 133</b> Bonnie Bereznicki, University of Tasmania</p>	<p><b>Determinants of self-reported medicine underuse due to cost in Australia and six other countries - 139</b> Dr Anna Kemp, School of Population Health, The University of Western Australia</p>
16:45	<p><b>'I mean, we're not dealing with lollies, you know': how pharmacists and pharmacy staff communicate with consumers about generic substitution - 128</b> Jacqueline Tudball, NPS</p>	<p><b>Evaluation of a clinical pathway to enable patient self-monitoring of anticoagulation - 134</b> Ella van Tienen, Unit for Medication Outcomes Research and Education, School of Pharmacy, University of Tasmania</p>	<p><b>Development of a health literacy measure for medicine consumers - 140</b> Dr Lynne Emmerton, The University of Queensland</p>
17:00	<p><b>Engaging consumers in quality use of medicines - 129</b> Lindee Russell, Consumers Health Forum</p>	<p><b>Adherence to prescribed medicines for chronic health conditions: a study of pregnant women attending an Australian maternity hospital - 135</b> Dr Johnson George, Centre for Medicine Use and Safety, Faculty of Pharmacy and Pharmaceutical Sciences, Monash University</p>	<p><b>The National Census of Medicines Use: medicine use by Australians aged 50 years and older - 141</b> Tessa Morgan, NPS</p>
17:15	<p><b>Aboriginal and Torres Strait Islander perspectives of the Home Medicines Review Program - 130</b> Lindy Swain, Northern Rivers University Dept of Rural Health</p>	<p><b>The HAPPY Trial: a community pharmacy-based intervention for improving patient adherence to antihypertensive medicines - 136</b> Dr Johnson George, Centre for Medicine Use and Safety, Department of Pharmacy Practice, Faculty of Pharmacy and Pharmaceutical Sciences, Monash University</p>	<p><b>Improving public involvement in the Pharmaceutical Benefits Scheme - 142</b> Paul Storey, Department of Health and Ageing</p>
	<p><b>2.4: Creating opportunity</b> <b>Meeting Room 103</b> Chair: Lesley Salem, Hunter New England Health</p>	<p><b>2.5: Creating opportunity</b> <b>Meeting Room 104</b> Chair: Prof Andrew Gilbert, University of South Australia, Sansom Institute</p>	
16:00	<p><b>Antibiotics Smart Use Program: a quest to fight antibiotic resistance in Thailand - 143</b> Dr Nithima Sumpradit, Thai Food and Drug Administration / International Health Policy Program, Thailand (NMS Asia Pacific QUM Scholarship recipient)</p>	<p><b>Clinical interventions in community pharmacies in Australia: Value for money - 149</b> Ivan Bindoff, Unit for Medication Outcomes, Research and Education, University of Tasmania</p>	
16:15	<p><b>Stimulating global action on antibiotic resistance - 144</b> Dr Mary Murray, ReAct - Action on Antibiotic Resistance</p>	<p><b>Community pharmacist intervention in drug safety system in intellectual, developmental and hearing disability school, Thailand - 150</b> Dr. Nantawarn Kitikannakorn, Faculty of Pharmaceutical Sciences, Naresuan University</p>	
16:30	<p><b>Improving quality use of medicines and patient outcomes: results over 5 years of the Veterans' Medicines Advice and Therapeutics Education Services program - 145</b> Dr Lisa Kalisch, Sansom Institute, School of Pharmacy and Medical Sciences, University of South Australia</p>	<p><b>A prospective study of pharmacist interventions within the Veterans' Affairs Pharmaceutical Advisory Centre - 151</b> Mitchell Claes, Department of Veterans' Affairs</p>	
16:45	<p><b>Measuring uptake and quality of drug therapy in chronic heart failure - 146</b> Judith Mackson, NSW Health</p>	<p><b>Nurse interventions in the medication process prevent patient harm - 152</b> Dr Judy Currey, Alfred/Deakin Nursing Research Centre</p>	
17:00	<p><b>Working inter-professionally to 'RedUse' antipsychotic and benzodiazepine use in aged care homes - 147</b> Juanita Westbury, Unit for Medication Outcomes, Research and Education</p>	<p><b>A community pharmacy intervention program to improve the quality use of asthma medication: uptake and effectiveness - 153</b> Bonnie Bereznicki, University of Tasmania</p>	
17:15	<p><b>Collaborative doctor-pharmacist prescribing in a multidisciplinary elective surgical pre-admission clinic - 148</b> Andrew Hale, Medication Services Queensland</p>	<p><b>Can quality improvement interventions optimise practice? The Discharge Management of Acute Coronary Syndromes (DMACS) initiative - 154</b> Angela Wai, NPS</p>	

Continued over page

16:00 – 17:30	<b>Concurrent session 2</b> <b>Proffered papers (cont.)</b>	
	<b>2.6: Safe and effective use</b> <b>Meeting Room 111/112</b> Chair: Prof Tim Usherwood, University of Sydney	<b>2.7: Sustainability</b> <b>Meeting Room 102</b> Chair: Dr Shiong Tan, NPS
16:00	<b>Adverse outcomes associated with potential prescribing cascades - 155</b> Dr Gillian Caughey, QUMPRC, Sansom Institute, School of Pharmacy and Medical Science, University of South Australia	<b>How well is clinical decision support implemented in general practice software? - 161</b> Michelle Sweidan, NPS
16:15	<b>The safety of citalopram exposure during pregnancy – a case study in pharmacovigilance using linked health datasets - 156</b> Lyn Colvin, Centre for Child Health Research, Telethon Institute for Child Health Research, The University of Western Australia	<b>Improvements in general practice Type 2 Diabetes management using Clinical e-Audit - 162</b> Karin Gurman, NPS
16:30	<b>A self-controlled case series to assess the effectiveness of beta blockers for heart failure in reducing hospitalisations in the elderly - 157</b> Emmae Ramsay, Data Management & Analysis Centre, Discipline of Public Health, University of Adelaide	<b>Self-monitoring of blood glucose: closing the gap between practice and evidence in diabetes management - 163</b> Bill Leslie, Canadian Agency for Drugs and Technologies in Health
16:45	<b>Major bleeding risk associated with warfarin and co-medications in the elderly population - 158</b> Dr Agnes Vitry, QUMPRC, Sansom Institute, University of South Australia	<b>Quality use of medicines evidence to practice: an educational visiting strategy for general practice - 164</b> Christine Bellamy, Melbourne East GP Network
17:00	<b>Are antipsychotics safe in the elderly? - 159</b> Nicole Pratt, Discipline of Public Health, University of Adelaide	<b>Teaching rational prescribing to general practice registrars – a case report from one RTP (GP Training valley to coast) -165</b> Dr Catherine Regan, General Practice Training - Valley to Coast Dr Simon Morgan, General Practice Training - Valley to Coast
17:15	<b>Identifying people with diabetes at increased risk of medication-related problems - 160</b> Kate Claydon-Platt, Melbourne School of Health Sciences, The University of Melbourne	<b>The MedGap project: addressing gaps in continuity of medication management at the transition from hospital to residential care - 166</b> Rohan Elliott Pharmacy Department, Austin Health
19:00 - 23:00	<b>Symposium dinner</b> <b>Melbourne Convention and Exhibition Centre</b> <b>Banquet Room 201, Level 2</b>	

09:00	<b>Plenary 4: Sustainability</b> <b>Plenary Hall 1</b> Chair: Russell Edwards, NPS	<b>Treating the patient and not the disease - 167</b> Tim Agius, Director, Aboriginal Health, Sydney West Area Health Service
		<b>Patients and prescribers – working in partnership - 168</b> Prof Tim Usherwood, Professor of General Practice, The University of Sydney
		<b>Panel: Role of industry in taking quality use of medicines to the next level</b> Juliet Seifert, Executive Director, Australian Self-Medication Industry - 169 Kate Lynch, CEO, Generic Medicines Industry Association - 170 Dr Brendan Shaw, CEO, Medicines Australia - 171
10:30	<b>Morning tea and poster session 4</b> <b>Level 1, Foyer</b>	<b>Poster session: Sustainability</b>
11:00	<b>Concurrent session 3</b>	
	<b>3.1 Thorny issues</b> <b>Meeting Room 105</b> Chair: Dr Janney Wale, Cochrane Consumer Network <b>Improving consumer medicine information - 172</b> Dr Parisa Aslani, Senior Lecturer In Pharmacy Practice, Faculty of Pharmacy, The University of Sydney <b>Access, information and the real McCoy</b> John Stubbs, Executive Officer, Cancer Voices Australia <b>'If only I knew...' negotiating consumer issues at the end of life - 174</b> Prof Margaret O'Connor, President of Palliative Care Australia	<b>3.2 New and emerging cancer therapies: hype to reality</b> <b>Plenary Hall 1</b> Chair: Prof Ric Day, UNSW & St Vincent's Hospital <b>New and emerging cancer therapies: hype to reality - 175</b> Prof Ross McKinnon, School of Pharmacy and Medical Sciences, University of South Australia Emeritus Prof Lloyd Sansom, School of Pharmacy and Medical Sciences, University of South Australia Liliana Bulfone, Senior Research Fellow, Faculty of Health, Medicine, Nursing and Behavioural Sciences, Deakin University Dr Michael Sorich, Senior Lecturer, School of Pharmacy and Medical Sciences, University of South Australia Dr Sallie-Anne Pearson, Senior Research Fellow, Lowy Cancer Research Centre, University of New South Wales
		<b>3.3 Hot topics in quality use of medicines</b> <b>Meeting Room 106</b> Chair: Dr Graeme Killer, Department of Veterans' Affairs <b>Improving medication use in hospitals: adoption of technology</b> Prof Michael Dooley, Director of Pharmacy, Alfred Health. Professor of Clinical Pharmacy, Faculty of Pharmacy and Pharmaceutical Sciences, Monash University <b>Taming drug – drug interactions - 177</b> Prof John Miners, Head of Department and Professor of Clinical Pharmacology, Flinders University <b>Multimorbidity and communication with consumers - 178</b> Dr Rebecca Ryan, Research Fellow, Centre for Health Communication and Participation, Australian Institute for Primary Care, La Trobe University
12:30	<b>Lunch and poster session 5</b> <b>Level 1, Foyer</b>	<b>Poster session: Medicines in people's lives</b>
13:30	<b>Plenary 5: The quality use of medicines journey</b> <b>Plenary Hall 1</b> Chair: Dr Janette Randall, NPS	<b>The evolving concept of health literacy - 179</b> Dr Kirsten McCaffery, Senior Research Fellow, School of Public Health, University of Sydney <b>Impact of pain on the individual and society</b> Prof Michael Cousins, Professor & Director, Pain Management Research Institute, Royal North Shore Hospital, Sydney <b>Panel: Radical visions for the future of health</b> Ross Dawson, Chairman, Future Exploration Network John Grant, Director, Connected Health, Internet Business Solutions Group, Cisco Camilla Cooke, Digital Strategist
Close	Dr Lynn Weekes, CEO NPS	Dr Lynn Weekes, CEO NPS

**Poster session 1: Ensuring equity**  
**Level 1, Foyer****A survey exploring knowledge and perceptions of general practitioners towards the use of generic medicines in the northern state of Malaysia - 201**

Dr Mohamed Azmi Ahmad Hassali, Discipline of Social and Administrative Pharmacy, School of Pharmaceutical Science

**Pharmacological management of residents of the disability accommodation sector (DAS) in regional Victoria - a review - 202**

Lyn Billington, Latrobe Regional Hospital

**Developing a hypertension resource for Aboriginal and Torres Strait Islander consumers - a heart foundation quality use of medicines initiative - 203**

Vicky Cogley, National Heart Foundation

**Provision of pharmacy services in rural communities - 204**

Dr Hanan Khalil, Monash University

**Providing access and equity for rural patients through clinical pharmacy services - 205**

Anne Leversha, Latrobe Regional Hospital, Monash University, Faculty of Pharmacy &amp; Pharmaceutical Sciences, Monash University, Faculty of Medicine, Nursing &amp; Health Sciences

**Quality use of medicines through QUMAX - 206**

Joanne McMahon, QUMAX

**Evaluation of the Space to Breathe pilot – an innovative childhood asthma education programme delivered through indigenous educational settings - 207**

Sharon Ponniah, PHARMAC

**The provision of medicines from Aboriginal Medical Services - 208**

Dr Lisa Pont, University of Sydney

**Management of osteoporosis in general practice: providing evidence at the point at which care is delivered - 209**

Debra Rowett, Drug and Therapeutics Information Service

**Improving quality supply and access to medicines in Aboriginal Community Controlled Health Services in non remote Australia - a NACCHO Perspective - 210**Victoria Sheedy, NACCHO  
Dea Delaney Thiele, NACCHO  
Dr Sophie Couzos, NACCHO**Getting quality use of medicines messages on COPD into remote Aboriginal health services: how OPRAH did it? - 211**

Pippa Travers-Mason, NPS

**Addressing quality use of medicines education needs of Aboriginal Health Workers in the NT - 212**

Fran Vaughan, Centre for Remote Health

**Utilisation of endocrine therapy in women with breast cancer - 213**

Dr Agnes Vitry, QUMPRC University of South Australia

**The influence of cost on consumer medicines use in Australia - 214**

Margaret Williamson, NPS

**The supply of cardiovascular medicines in Australia: a regional analysis - 215**

John Woodall, Australian Institute of Health and Welfare

**Poster session 2: Creating opportunity**  
**Level 1, Foyer****Collaborating with other divisional programs to spread the quality use of medicines message - 216**

Janette Baker, Adelaide Hills Division of General Practice

**Improving cardiovascular health through the quality use of medicines - 217**

Vicky Cogley, National Heart Foundation

**NPS and HARP: natural partners using National Prescribing Service consumer resources within a hospital admissions risk program to assist medication management - 218**

Patricia Derrick, Mallee Division of General Practice

**Prescribing data in general practice demonstration (PDGPD) project: a pilot evaluation - 219**

Jeff Elliott, NPS

**How to influence the quality of referrals for diagnostic imaging and pathology - 220**

Aine Heaney, NPS

**Expanding local delivery of quality use of medicines messages across the general practice network - 221**

Gwen Higgins, NPS

**Let's get together - linking general practitioners and pharmacists to improve quality use of medicines - 222**

Kerry de Waal, Northern Sydney General Practice Network

**Finding evidence – recognising hype: early Illawarra experience - 223**

Margaret Jordan, Illawarra Division of General Practice

**Who has the evidence for non-medical prescribing? - 224**

Dr Greg Kyle, The University of Queensland

**Identifying opportunities for community pharmacy intervention among patients with treated hypertension: patient-reported evidence treatment gaps - 225**

Kevin Mc Namara, Greater Health, Flinders and Deakin Universities, Department of Pharmacy Practice, Monash University

**Interacting with complementary medicines – challenging and expanding general practitioners' professional role - 226**

Tessa Morgan, NPS

**Gifts and guidelines: are you keeping up with the changing environment? - 227**

Mary Osborn, The Royal Australasian College of Physicians

**Medication review: the pharmacist – GP relationship - 228**

Manusika Rai, Ministry of Health

**Pharmacist in community palliative care multidisciplinary teams project - 229**

Sandy Scholes, Calvary Health Care Bethlehem

**Coming together! Integrating quality use of medicines in a local division - 230**

Shalini Simmons, GP Partners Adelaide

**Medication use review - a feasibility study in Australian community pharmacy - 231**

Angus Thompson, UMORE, Tasmanian School of Pharmacy, University of Tasmania, Hobart

**Knowledge Linked into Clinical Software (KLICS): a pilot of a GP decision support tool - 232**

Jacqueline Tudball, NPS

**Quality Prescribing Network NQ - a prescribing program for international medical graduates and general practice registrars in North Queensland - 233**

Robin Warren, Townsville General Practice Network

**Poster session 3: Safe and effective use****Level 1, Foyer**

**Learning from near-miss dispensing incidents: report form design and enablers and barriers to reporting - 234**

Dr Jill Beattie, Centre for Medicine Use and Safety, Monash University

**St John's Wort interaction with oral contraceptives – a systematic review - 235**

Cathy Beckhouse, University of Canberra

**A community pharmacy intervention program to improve the quality use of asthma medication: participant satisfaction - 236**

Bonnie Bereznicki, University of Tasmania

**Evaluation of Home Medicines Reviews (HMRs) in an outer Perth metropolitan area - 237**

Helen Brown, Rockingham Kwinana Division of General Practice, Pharmacy Guild - Home Medicines Review program

**Improving cardiovascular adherence – a heart foundation quality use of medicines initiative - 238**

Vicky Cogley, National Heart Foundation

**Complex clinical questions – where are the answers? - 239**

Tania Colarco, Drug and Therapeutics Information Service (DATIS)

**The utility of proactive risk assessment tools in community pharmacy practice: failure mode and effect analysis experimental study - 240**

Khaled Eddie, The University of Sydney

**Time for evidenced based action around PRN medicines in aged care (TEAM Aged Care) - 241**

Sue Edwards, Drug and Therapeutics Information Service

Debra Rowett, Drug and Therapeutics Information Service

**Reducing the risk of errors: look-alike and sound-alike medicines - 242**

Dr Lynne Emmerton, The University of Queensland

**QUMwatch: a community pharmacy based incident reporting program to support quality use of medicines - 243**

Dr Romano Fois, Faculty of Pharmacy - University of Sydney

**Effect of NPS diabetes program on metformin and insulin utilisation in the Australian veteran population - 244**

Dr Svetla Gadzhanova, QUMPRC, University of South Australia

**Treating the symptoms of dementia: how may patient care change through educational visits? - 245**

Joy Gailer, Drug and Therapeutics Information Service, Repatriation General Hospital, SA

**Prescribing alerts to support quality use of new drugs: user-centred (re)design of NPS RADAR - 246**

Dr Malcolm Gillies, NPS

**From conception to beyond: improving the quality use of medicines in pregnancy using population-based record linkage - 247**

Luke Grzeskowiak, Quality Use of Medicines and Pharmacy Research Centre, Sansom Institute for Health Research, School of Pharmacy and Medical Sciences, University of South Australia

**A single system to ensure the ethical promotion of medicines and other therapeutic goods - 248**

Dr Ken Harvey, School of Public Health, La Trobe University

**Hot flushes and mood swings- educational visiting 'Therapeutic Choices for Menopausal Symptoms' as a new National Prescribing Service (NPS) Facilitator - 249**

Sally Herbert, NPS

**A clinical pharmacist in the emergency department in a rural hospital - 250**

Margaret Hewetson, Margaret Hewetson Professional Services

**The safe and wise use of medicines in Arabic speaking communities - 251**

Nelia Hyndman-Rizik, FECCA

**Altered pharmacokinetics of nimesulide in fixed dose combination with paracetamol in rabbits - 252**

Neetesh Kumar Jain, Pranav Institute of Pharmaceutical Science & Research, Gwalior and G R Medical College, Gwalior

**Safe and effective use of probiotics in combination with gastric acid inhibitors (omeprazole) for the treatment of gastro esophageal reflux disease (GRED) - 253**

Piyush Jain, Department of Pharmacology & Toxicology, J.S.S. College of Pharmacy, Ooty, (Off Campus College of J.S.S. University, Mysore), Tamilnadu, India

**Quality use of medicines lessons in dyspepsia and reflux disease: insight from clinical case scenarios - 254**

Dr Michelle Koo, NPS

**Health professionals' perspectives on the use of hypnotics for insomnia - 255**

Dr Ashutosh Todkar, NPS

**Predictors of mental health service use among new users of antidepressant medications - 256**

Dr Christine Lu, Sansom Institute, University of South Australia

**Intensive ADR monitoring in anti TB Drugs and risk factor at Lampang Hospital - 257**

Piyawan Lueangchiranothai, Lampang Hospital

**An electronic decision support tool for Type 2 diabetes: results of a qualitative review of 'DAVE' in general practice - 258**

Dr Meredith Makeham, University of NSW  
Helen Leonard, The Pharmaceutical Alliance

**A painless approach to measuring and monitoring the quality of patient care in acute post-operative pain management - 259**

Sonia Markocic, Wollongong Hospital  
Kate Oliver, NSW Therapeutic Advisory Group

**Evaluating complementary medicines resources: separating the wheat from the chaff - 260**

Dr Treasure McGuire, Mater Pharmacy Services, University of Queensland, Bond University

**Medicines use in those with glaucoma. How well do we consider co-morbidity? - 261**

Dr Carmel Mezrani, University of South Australia

**Thrombophylaxis and venous thromboembolism following lower limb orthopaedic surgery at an Australian Hospital - 262**

Corinne Mirkazemi, Unit for Medication Outcomes Research and Education, School of Pharmacy, University of Tasmania

**Prevalence and outcomes of adverse medicines events in the Australian community - 263**

Tessa Morgan, NPS

**Factors affecting prescribing error at internal medicine special clinic - 264**

Dr Rongtiva Muenpa, Lampang Hospital

**Quality of claims, references and the presentation of risk results in medical journal advertising: a comparative study in Australia, Malaysia and the United States - 265**

Noordin Othman<sup>1</sup>

Dr Agnes Vitry<sup>1</sup>

Elizabeth Roughead<sup>1</sup>

<sup>1</sup> QUMPRC, Sansom Institute, School of Pharmacy and Medical Sciences, University of South Australia

**The Space to Breathe programme – utilisation of childhood asthma decision support software in general practice - 266**

Sharon Ponniah, PHARMAC

**Does a National Medicines Policy improve medicines access and utilisation? - 267**

Dr Lisa Pont, Faculty of Pharmacy, University of Sydney

**Zero medical error - a mirage - 268**

Dr Prabha Rao, Amrita School of Medicine

**Risk versus benefit: methods to measure extent of co-administration of leflunomide and methotrexate - 269**

Chris Raymond, Department of Health and Ageing

**Variability in general practice prescribing systems - do they support quality use of medicines? - 270**

Dr James Reeve, NPS

**Topical non-steroidal anti-inflammatory drug (NSAID) formulations – understanding relatively exposure and implications for safety - 271**

Daniel Rifkin, University of Sydney Faculty of Pharmacy

**PRN antipsychotic use in Residential Aged Care – effects of an educational intervention to support those who have to make decisions on what is given and when - 272**

Debra Rowett, Drug and Therapeutics Information Service

**Development of a taxonomy of interventions directed at consumers to promote evidence-based prescribing and medicines use: a tool for evidence-based decision-making - 273**

Dr Rebecca Ryan, Centre for Health Communication and Participation, La Trobe University

**The long and short of it: developing the right tool to promote VTE prophylaxis - 274**

Dr Jessica Schluter, Medication Services Queensland

**An intervention to improve benzodiazepine use – a new approach - 275**

Dr Alesha Smith, University of Queensland, School of Pharmacy

**Outcomes of a pharmacist-led post-discharge warfarin management service - 276**

Leanne Stafford, Unit for Medication Outcomes Research and Education (UMORE), School of Pharmacy, University of Tasmania

**A review of the first 10 years of MotherSafe; the NSW Medications in Pregnancy and Lactation Advisory Service - 277**

Tricia Taylor, MotherSafe

**An exploration of how health professionals provide inpatient discharge medication education - 278**

Lorraine Walker, Monash University

**Role of pharmacists in medication errors detection; a study of a teaching hospital in Thailand - 279**

Nisa Wangruangsatit, Pharmacy Unit, Naresuan University Hospital, Naresuan University, Thailand

**Rx for change: changing professional behaviour - an updated overview of systematic reviews - 280**

Michelle Weir, Cochrane Effective Practice and Organisation of Care (EPOC) Group

**PROMISE III: the value of an electronic PPI step-down prompt - 281**

Mackenzie Williams, Unit for Medication Outcomes Research and Education, School of Pharmacy, University of Tasmania

**Celebrating 10 years of educational visiting - 282**

Ann Winkle, GPartners  
Catherine Prest, NPS

**Poster session 4: Sustainability**  
**Level 1, Foyer**

**High dose vitamin D3 and warfarin: a case of too much of a good thing? - 301**

Rose Allin, Drug and Therapeutics Information Service, Repatriation General Hospital, SA  
 Joy Gailer, Drug and Therapeutics Information Service, Repatriation General Hospital, SA

**The sustainability of a community pharmacy intervention to improve the quality use of asthma medication - 302**

Bonnie Bereznicki, University of Tasmania

**Perceived feasibility of a community pharmacy-based asthma intervention: a qualitative follow-up study - 303**

Bonnie Bereznicki, University of Tasmania

**Building a network of NPS facilitators - 304**

Rebecca Cause, WentWest

**Indigenous pharmacy technician pathways in remote health services - 305**

Margaret Craig, Centre for Remote Health

**Successful strategies for increasing the uptake of Home Medicines Review in an urban division of general practice - 306**

Sandra Fitzgerald, GP Access  
 Brett Plumb, GP Access

**Challenges of maintaining ten years of engagement in general practice - case study on proton pump inhibitors - 307**

Nicole Fung, NPS

**A pharmacy student-facilitated Home Medication Review report writing workshop - 308**

Benjamin Gilbert, University of Canberra  
 Discipline of Pharmacy (UC)

**Influences on the adoption of new drugs in general practice: a narrative review - 309**

Dr Malcolm Gillies, NPS

**A national network to support drug utilisation research in Australia - 310**

Dr Anna Kemp, The University of Western Australia

**An intervention to improve advice on generic substitution in community pharmacy - 311**

Steve Riddell, NPS

**Online learning - a sustainable option for delivering quality use of medicines interventions - 312**

Dr Michelle Koo, NPS

**The National Prescribing Curriculum - a sustainable tool to build prescribing confidence in new prescribers - 313**
